Self-Prop Combines	738	513	43.9	2,928	2,206	32.7	1,309

These data are, in part, estimates that are subject to revisions when final detail data becomes available. Because of the seasonal nature of the industry, comparisons of monthly data from one period to another should be done with extreme caution. These data represent most, but not all, of the manufacturers in each product category being sold at retail in the fifty states and District of Columbia.
