Medical Insurance – AEM offers a point-of-service managed care plan through United Health Care. The single, annual deductible for in-network services is \$250 and the maximum annual out-of-pocket cost is \$1,000 per person for in-network services.

AEM’s health insurance includes a spousal surcharge program. The intent of the surcharge is to shift financial responsibility for health care coverage to the employer of the working spouse. Individual accounts earn a guaranteed rate of return based on a fixed U.S. Treasury index. The rate is updated on an annual basis. Changes in the pension plan portfolio do not affect the final benefits to be received by the participant upon retirement or termination.

Staff member goals are outlined on individual scorecards with a bonus target of 10% of salary for Senior Directors, 8% of salary for Directors, 6% of salary for Managers, Coordinators and Assistants.
